

# Parents' Guide to Career Programs at SAS

March 30, 2021

## Spring 2020 - Students are working and learning, vaccines are on their way.

As the nice weather approaches, construction is in full swing, production continues in many areas of our local economy and business are looking for employees. Many of our Grads have applied to post secondary institutions, some are looking for great employers and some are planning adventure (local). The Grade 11 students are busy blending school, part time jobs and recreation to fill their weeks. In this shortened version of the Parents' Guide to Career Programs, you will see some job postings, some opportunities and a few reminders for all. As always, please feel free to contact our school to find out more! **J.Quilty**

## Summer Jobs and Jobs during the School Year

**Does your son or daughter have a job lined up for the spring or summer? Would your son or daughter like to get High School Credits for working at their job?** If the answer to either question is yes, then we need to do paperwork with the student **before** the hours are accumulated. Please go to the Career Center (Jackson or Sullivan) for the complete application package.
